Question: The first page of solicitation, form SF1449 contains Block 12 (discount terms). What are the discount terms and do we need to complete them?

Answer: This is optional, and it is where you offer the Government a discount for fast payment of your invoices. For example, you may state that you offer a 5% discount off the invoice amount if paid within 10 days from the date of receipt of the invoice. Again, this is not mandatory but an incentive which you may offer the Government.

Question: Line item 2 of Attachment 3, Government Furnished Property states: “Other spare parts as required for maintenance or repairs .” Does this mean that light bulbs (all kinds), switches, filters, fuses, etc. will be furnished by the Embassy as well?

Answer: Yes, The Government will provide the Contractor with all spare parts and consumables necessary for the maintenance of the compound
